A RESEARCH STUDY OF PARANORMAL BELIEF & EXPERIENCE

TAKE THE SURVEY TODAY

Do you believe in ghosts, UFOs, or other mysteries of the unknown?

We're inviting participants to take part in a research study on beliefs and experiences surrounding paranormal and supernatural phenomena. Anyone over the age of 18 located in the United States is invited to complete an online survey covering topics including information about you, your quality of life, spiritual health and religiosity, perspectives on death and the afterlife, knowledge, beliefs, and experiences of the paranormal and supernatural, discrimination based on your beliefs, mental health, and your attitudes toward research, in general, and interest in participating in further research. All responses will be kept anonymous.

Based on your responses, you may also have the opportunity to participate in additional surveys and/or interviews.

If you are eligible and interested in participating, comment "Interested" below to receive a message with your personalized link to the survey.
